Title: TS Marketplace: DRG BR 86 Grey Livery Pack Add-On

Genre: Simulation

Developer:

Bossman Games

Publisher:

Dovetail Games - Trains

Franchise:

Train Simulator

Release Da

English

I bought this locomotive and it doesn't show up when i try to drive it in game.. This is more than great, we need somekind WWII style wagons too for this glorious loco. This time even high price for only one skin not bother me. Waiting more this era stuff with some missions/routes.. This is more than great, we need somekind WWII style wagons too for this glorious loco. This time even high price for only one skin not bother me. Waiting more this era stuff with some missions/routes.. I bought this locomotive and it doesn't show up when i try to drive it in game.
